Great Neck Synagogue  
26 Old Mill Road  
Great Neck, New York 11023

To the Members of Great Neck Synagogue,

As the Councilman representing this district, Board Member of this Synagogue, and Head of House, I am pleased to extend my warmest congratulations to the Great Neck Synagogue on the occasion of its 74th Annual Dinner.

This special evening rightly recognizes the generosity and contributions of Didi & Adam Hutt, Ariella & Abraham Sedgh, and Steven Zuckerman, who are all outstanding members of our community, their leadership and devotion to Jewish values have made a lasting impact. Their commitment to service and communal responsibility embodies the spirit that strengthens and uplifts our entire community.

For decades, the Great Neck Synagogue has served as a cornerstone of faith, tradition, and charitable actions within our community. Its enduring dedication to unity and spiritual life has touched generations of families. I would also like to commend Rabbi Dale Polakoff and the entire team at The Great Neck Synagogue for their inspiring leadership and continued guidance, which play a vital role in sustaining the synagogue's mission and fostering meaningful connections among its members and beyond.

The 74th Annual Dinner is a powerful reflection of the synagogue's legacy and its continued influence in our district. It is an honor to acknowledge the important work you do and the positive difference you make each and every day.

Please accept my congratulations to all of the honorees and my sincere appreciation to the entire congregation for your ongoing commitment to faith, service, and community partnership.

Sincerely,

Yaron Levy  
North Hempstead Town Councilman
