February 2026

It is my distinct pleasure to extend warm congratulations to Didi and Adam Hutt, Ariella and Abraham Sedgh, and Steven Zuckerman on the Great Neck Synagogue's 74th Annual Journal Dinner.

Each of this year's honorees exemplifies a deep commitment to Jewish values, community service, and leadership. Their dedication and generosity have strengthened not only the Great Neck Synagogue, but the broader community it serves, inspiring others through example and action.

Please accept my heartfelt best wishes for a meaningful and memorable evening, and my sincere congratulations to the honorees on this well-deserved recognition.

Sincerely,

Mazi Melesa Pilip
